PARLAY CAFE

Parlay Café provides an unparalleled environment that enables you to work alone and/or meet with others. Business professionals can purchase a daily (\$10), monthly (\$95) or annual pass to our Members Lounge. Phone pods provide a soundproof environment for your private cell calls.

Additionally, there are four meeting/conference rooms that accommodate 2 to 36 people. Members host or attend meetings, presentations, trainings, gatherings and events.

A full-service espresso bar at the front of the facility is open to the public for hot and cold coffee drinks, smoothies, local baked goods and other light fare.

The Parlay Café founders have extensive backgrounds in successfully launching startup companies over the past 20 years. Headquartered in Temecula, California, the company plans to franchise Parlay Café nationally.

MEMBERS LOUNGE

A truly unique business lounge for you to work solo and/or meet with others. Luxurious leather chairs, plus a variety of tables and ledges offer many comfortable and productive options. Other cool amenities include two private and soundproof cell phone pods.

MEETING & CONFERENCE ROOMS

Parlay Café has three charming (and distinctly configured) meeting rooms that accommodate 2 to 10 people. We call them the Palomar, Ortega and San Jacinto rooms. Our members call them amazing!

THE FORUM

The perfect presenting/gathering space for 10 to 27 people with state of the art presentation technology and media capabilities. The nine tables and 27 chairs can be set up in any configuration: straight rows, V-angled, U-shaped, boardroom style... you name it.

THE CAFE

Wonderful Italian ily-coffee espresso drinks are made to order. Custom smoothies and blended drinks are also served. Our local bakery partner (a mile away) provides the freshest and most delicious baked goods in Temecula! Our front patio has five tables – each with an umbrella – that can seat a total of 20.
